

# WEBiNAR

INSTRUCTOR  
Glenn McGinley

Glenn McGinley is the Acting Director of Loss Prevention Operations for the BWC Division of Safety & Hygiene. Glenn is the former Director of the Ohio Public Employment Risk Reduction Program (PERRP) and was a PERRP Compliance Safety and Health Officer. Glenn serves as a Principal Member of the National Fire Protection Association (NFPA), Technical Committee on Confined Space Safe Work Practices. He is also a Principal Member and current Chair of the NFPA Technical Committee on Wastewater Treatment Plants.

## Help, My Confined Space Program Needs work!

11:00 a.m. - 12:00 p.m.  
8.11.2020

This webinar will cover the elements of an effective written permit-required confined space (PRCS) entry and work program. The discussion will include an overview of best practices and common pitfalls of written PRCS programs and procedures. Topics will include identifying and evaluating confined spaces, common PRCS hazards, and hazard control methods.

- This webinar does not offer credit.
- When your registration is complete, you will receive a confirmation email with instructions for joining the webinar. You can click the link at any time and go to the log-in page.
